Press Release

### Hong Kong's First "International Property Management & Procurement Expo" Debuts in November

#### Showcasing Value-Adding Property Management Technology Products and Services

**(21<sup>st</sup> October 2021 • Hong Kong)** Organized by COMASIA Limited ("COMASIA"), Hong Kong's first property management service exhibition "**International Property Management & Procurement Expo**" will be launched from 4<sup>th</sup> to 6<sup>th</sup> November in Hall 1 D & E, Hong Kong Convention and Exhibition Centre. 216 exhibitors will demonstrate the latest property management and related supporting facilities and products, including Refuse and Waste Recycling Management, Security Control and Surveillance Systems, Cleaning and Pest Control, Car Park Management and Access Control Systems and Club House Management. The exhibition displays innovative products incorporated with the Internet of Things (IoT), Big Data and Artificial Intelligence (AI) which further enhance the standard and quality of property management.

With the rapid development of the economy and the real estate market, as well as the ever-increasing demand for better living and working environment have fuelled the escalating pace of urban renewal in recent years. Households nowadays are demanding more premium property management experience. Hosted by COMASIA and fully supported by Chartered Institute of Housing Asian Pacific Branch, The Federation of Hong Kong Property Management Industry, Hong Kong Property Innovative Technology and Environmental Protection Association, as well as Chamber of Security Industry, the "**International Property Management & Procurement Expo**" is in line with market development trends. This allows property management industry players to discover more diversified and value-added services that meet market needs, as well as sustainable improvements in operation mode in order to improve their service quality.

The exhibition composes of 216 world-renowned exhibitors, including CLP Smart Energy Connect, 3M Hong Kong Limited, Worldwide Executive Centre, The Hong Kong and China Gas Company Limited (Towngas), CERTIS Group, Tencent Cloud, Smart Charge (HK) Limited, China Mobile, Guardforce Limited, Baguio Green Group, and Pudu Robotics.

20 seminars will be conducted during the 3-day exhibition. Multiple influential speakers will share their thoughts on topics such as "**How Can Hong Kong Property Management Industry Elevate Quality Service to End User through Information Technology (I.T.) Applications**", "**Energy Saving and Green Energy**", "**Environmental Management Solution**", "**ProTech for Digital Transformation in Property Management**", "**ProTech Security Solutions & AI Application**" etc. Industry players can learn more about energy conservation and how property management technologies can improve the quality of property management, adding value to the whole industry.

Mr. C.S.Lee, Director of COMASIA, stated, "The '**International Property Management & Procurement Expo**' is determined to provide an exceptional platform for the property management industry and related supporting facilities and product suppliers in mainland China, Hong Kong and across Asia. Buyers can get the latest ProTech products and services to **enhance the quality of property management services and increase property value.**"
